FIFTH DISTRICT

CITY OF SAN DIEGO

### MEMORANDUM

DATE: February 12, 2010

TO: Job Nelson, Director of Intergovernmental Relations

FROM: Councilmember Carl DeMaio *Carl DeMaio*

RE: Council Docket Item 151 – Proposed Legislative Program

---

Council Docket Item 151 for the meeting of Tuesday, February 16 provides an overview of the proposed Legislative Program.

I am concerned that the proposed program omits a pertinent role that Intergovernmental Relations may be able to play in achieving further pension reform. As a result, I propose that the Legislative Program for FY 2010 also include the following:

*"Identify and explore legislative actions to aid pension reform, including, but not limited to IRS regulations and requirements related to the implementation of a tiered, 'opt-out' plan."*
